# Meal Kit FAQs

## **What's included in the meal kit?**

The Thanksgiving meal kit includes all appetizers, sides, the choice of an oven ready or ready to reheat turkey, and two pies.

## **How big are the Turkeys?**

The 4-6 box comes with an 8 - 12 lbs turkey, the 6-10 box comes with a 16 - 20 lbs turkey.

## **Do you allow substitutions?**

Yes! We are happy to add on or adapt the box to accommodate any allergy or dietary restriction you may have in your family.

## **How is the food prepared?**

All food will be delivered cold and par cooked. Boxes will include reheating instructions. We are also able to email you the instructions ahead of time, should you like them to prepare.

## **My family is more than ten people, are you able to increase the servings?**

We unfortunately cannot increase the number of servings in the boxes. If your family is larger than 10 people, we recommend ordering more than one box.

## **When do I get the Thanksgiving box?**

The boxes will be available for pickup or delivery on the Tuesday and Wednesday prior to Thanksgiving. Due to high order volume, we will be delivering boxes in morning or afternoon windows. You will be getting a call from our delivery drivers when they are on the way to you.

## **Do I need to be home during the delivery window?**

We prefer that someone is home during the assigned pickup window, as all the food is perishable and shouldn't be left outside. Our team will call you before they arrive so you know they are coming. Since we have a high volume of orders, we will need to leave the food at your door if you are not home.

## **When is the deadline to order a Thanksgiving box?**

Orders for the boxes will be accepted until end of day Friday, November 17th.

## **How should I store the food before Thanksgiving?**

All perishable items should be stored in the fridge or freezer depending on when you are cooking.

## **Are there any additional fees associated with the boxes?**

There will be a \$30 delivery fee for all boxes being delivered, there is no fee for picking up the box.

## **What is the cancellation policy for the Thanksgiving Box?**

You are more than welcome to cancel your order as long as it is prior to noon, 2 business days before your delivery. After that point, preparation has begun and the order cannot be canceled.
